

# CALL FOR POSTERS

## Fifth Annual California Climate Change Conference

Sacramento Convention Center  
Sacramento, CA  
September 8-10, 2008

With this notice we are inviting researchers to submit proposals for posters for the Fifth Annual Climate Change Conference. Please feel free to share this invitation with others. The posters should address climate change research activities in California with a focus on impacts, adaptation, technology development, greenhouse gas emissions and mitigation options and any other area of work on climate change of relevance to California. A poster session will be held on Tuesday, September 9, 2008 at the Sacramento Convention Center from 5-7 p.m. All poster presenters are expected to be present during this time.

If you would like to submit a poster, please e-mail the following information to Sarah Pittiglio at the California Energy Commission at [spittigl@energy.state.ca.us] before August 1st, 2008:

- A clear, concise abstract of 150 words or less.
- Include why your submission is pertinent to Climate Change in California.
- Provide your name, e-mail address, and current phone number.

We will notify you regarding acceptance by e-mail no later than August 15th, 2008. If your poster is accepted for presentation, you will receive guidelines that are designed to help improve the effectiveness of poster communication.
