

SCCOOS DATA PROVIDERS & USER GROUPS WORKING MEETING

Hilton Waterfront in Huntington Beach, Salon A • 27 October 2005 • 5:30pm

AGENDA

5:30pm Welcome and Introduction (Debbie Duckworth)

5:35pm Overview Presentation (Dr. Eric Terrill)

6:00pm Break Out Sessions (3) *Product Development as pertains to:*

1. Water Quality
2. Marine Life Resources
3. Coastal Hazards

Particular Discussion Topics

- What are the objectives of Data Users who use SCCOOS ocean observing data?
- Is there specific data that will meet these objectives?
- What parameters are desirable in the data (e.g. units, display, frequency)?
- Will this objective likely change, be modified or end in the future? When?
- Do you anticipate this objective to continue indefinitely?
- Do you forward this data on to another Data User with modifications?

6:45pm Food and Beverage Service

8:00pm Adjourn
